INVESTMENT COMPANY

ABOUT LIGHTSTAKING

Lightstaking is a specialist mining firm. Having mined over 100+ different coins over the years, we had to build software that adapts our mining operating based on real time market conditions and prices.

We're dedicated to growing the wealth and the overall prosperity of our investors. We adopt an active, flexible approach to portfolio management. We use a wide range of financial instruments and strategies to take advantage of changing market conditions. Our expert advisors establish an executable plan for healthy company growth and value-added exit from our clients' legacy businesses.

In addition, our advisement network can help assist you in a myriad of business structure, planning, investment, tax and exit strategies to help give you the maximum ROI. When it comes to region and market-specific deals, our team works with a handful of knowledgeable and professional partners.
